REQUEST FOR MAILING LIST OF CERTIFIED OPERATORS

The Office of Operator Certification can only release the names, addresses and grades of certified operators that have authorized us to do so for recruitment purposes and only to municipalities. All requests for the mailing list must be submitted using this form. If you are a private company that is handling recruitment for a municipal facility, the municipality must fill out and submit this form and indicate in the *Special Instructions* section the name and e-mail address or physical address where the mailing list should be sent. The electronic version of the mailing list is an Excel spreadsheet. The hard copy version is formatted so it can be run through a copy machine onto Avery 5351 labels.

Please e-mail or fax the completed form to OpcertProgram@waterboards.ca.gov or (916) 341-5734.
